

Key Stage 1 Homework Guide

- The information below explains what homework your child will be required to complete each week.
- Your child will have a homework book. This is for comprehension homework and spellings. Any mathematics will be completed on a worksheet and kept separately.
- Your child will also have a reading diary for you to record reading in.
- If your child struggles with any of the work, either speak to your child's teacher in person or write a note in his/her book.
- If there is a reason why the homework couldn't be completed, just write a note in your child's book.
