Attendance

Education is vital to each child's life chances and we as a school are privileged to share in your child's education. It is so important that your child attends school every day for their development in so many areas – academic, physical, emotional, moral, spiritual and social.

Our school attendance is normally very good and persistent absences are low. At present the whole school attendance target is 97.4%.

If your child is ill, you need to inform the school office by 9.15am on the first morning of absence, and then followed on return to school with a letter from the parent. Any pupil who is not in school by 9.15am will be contacted by text or phone call by a member of the Office Staff.

Health appointments should, where possible, be made for out of school hours. If an appointment is within school time we should be notified prior to this appointment so that a note may be placed in the register.

Any other absence is actively discouraged. Holidays should not be taken in school time. All holiday requests will be unauthorised unless it is exceptional circumstances and this request should be made in writing.

First Holy Communion

We wish the very best for those Year 5 children making their Holy Communion this weekend. May the Lord bless you and your families as you unite yourselves with Him in this most special Sacrament.

Dogs on the playground

Please be reminded that dogs are not allowed on the playground as they may be a hazard to children and adults.

CAFOD

Thank you to all for your generosity for our Lenten Family Fast donations to CAFOD. The amount raised was £153.85. This is alongside all the other funds raised this year. Well done and thank you again.

St Joseph's Got Talent

Please note the letter concerning the children's musical talent and the competition.

Thanks
