

## Competitions Intent at St Joseph's Catholic Primary School

Taking part in a wide range of tournaments and competitions has become a central part of our PE and Sports curriculum. The children have the opportunity to develop collaboration and cooperation through participating in team sports and competing with other children across the local authority and at a regional level where the opportunity arises.

We are proud and active members of the *Warrington Schools Sports Partnership* and regularly take part in a range of sporting events with other schools in Warrington. Last year, we achieved the Schools Games Award at Gold level.

We carry out a number of both intra and inter school competitions. We do look to provide as many competitive opportunities as possible and see the value in introducing the children to a wide range of different sports and sporting experiences. Some competitions will be offered out for gifted and talented pupils, some will be aimed at offering pupils a sporting experience and some will be aimed at pupils who may need some support with physical skills. We try to offer these opportunities to as many pupils as possible.
